	TDN: <u>H-023CyM</u>
Travel To: <u>Hampton/Newport News, VA</u>	Travel Dates: <u>August 11-13, 2015</u>

**TRIP REPORT MUST BE TYPED**

Description of Trip Activities: *(Please provide a reasonably detailed description of activities performed.)*

The purpose of this trip was to attend the inaugural Science Team Meeting of NASA's ACT-America project.

Only Allan Scott Denning's travel is covered in this report.

I attended the meeting, made a presentation on the importance of poleward transport by baroclinic waves in the atmosphere, participated in Science Team discussions and mission planning, and provided input to mission leaders.

For International Travel: Counter-Intelligence (CI) debriefing  
 Completed with Customer CI Official  or SSAI Security Official
