

Climate Science for Poets

ATS 150 3 credits

MWF from 1-1:50 in Clark C142

CRN code 22001

<http://ats150.atmos.colostate.edu>

Non-Science Majors Especially Welcome!

The course is open to absolutely anybody. There are **NO prerequisites**, and the course assumes **no previous science or math background**.

Simple!
Serious!
Solvable!

- **How climate works**
- **How and why it's changing**
- **Likely climate futures**
- **What can be done about it!**

*auditors
welcome*
